DECLARATIONS OF INTEREST OF MEMBERS OF THE PARISH COUNCIL – (Current Meeting)

246.22 There were no declarations of interest and it was established that no-one was recording the meeting.

PUBLIC DISCUSSION PERIOD

247.22 **Cotness Lakes** Ed Ellwood, Tom Trevorrow and Derek Burt reported that unnecessary and disturbing noise was still a problem coming from the Cumulus activities at Cotness Lakes. It was proposed that approaches be made to Planning regarding the obvious change of use of these lakes and also Environmental Health owing to the noise disturbing the surrounding households.

248.22 **Charmswell Footpath** Tim Kavanagh gave a presentation on the actual route of Footpath 30 which is quite different to the route shown in the Dorset Council records. His presentation included a great deal of meticulous research and was persuasive. He further said that no-one walks the route shown in the Dorset Council records but that all the walkers take the historical established path to the north of Charmswell. He said that the proposed change to FP30 in Modification Order 2019 was meaningless as the whole route of FP30 shown on the map ref 14/44 was wrong and existed on paper only. The actual route, both historically and still used by walkers today is the path shown to the north of FP30 shown on the map.

He asked that the Council write to the Dorset Council in support of his position regarding the real route of the footpath.

RESIGNATION OF CHAIRMAN AND CO-OPTION OF NEW MEMBER

249.22 Cllr Parker resigned as chairman and Cllr Wilson as the previous vice-chairman took the chair. Cllr Evans was nominated as vice-chair. Their appointments were proposed by Cllr Grice, seconded by Cllr P.Edwards and the motion to appoint them was passed unanimously.

MINUTES OF PARISH COUNCIL MEETING HELD ON 27th SEPTEMBER 2022

250.22 The minutes which had been previously circulated were read. Cllr Pitcher proposed that they should be accepted as a true record of the proceedings and her proposal was seconded by Cllr P.Edwards. The minutes were duly approved by a unanimous vote.

MATTERS ARISING FROM THE MINUTES OF THE 27th SEPTEMBER 2022 MEETING

251.22 **Camping at Blue Pool** (222.22). The Clerk reported that he had written to the Blue Pool stating the law and regulations regarding camping. There was some discussion about whether it the Council should seek enforcement action against the Blue Pool for the breaches this summer (2022) or whether to wait and see if the correct licences are obtained and the correct time periods are observed next summer (2023) before seeking enforcement.

It was decided that the Clerk would produce all of the correspondence to date on the matter for the next November meeting.

252.22 **Jurassic Broadband** (241.22) Cllr Brooks noted that there is a funding initiative to provide full fibre broadband in rural areas.

NEIGHBOURHOOD PLAN

253.22 Cllr Pitcher said that prospective consultants were being contacted and evaluated to assist with the completion of the Neighbourhood Plan.

254.22 Cllr Grice advised that the next Neighbourhood Plan public consultation drop in session would be at the Furzebrook Village Hall on 29th October 2022.

255.22 Cllr Evans provided a written progress report for the Neighbourhood Plan.

258.22 These maintenance items were identified to report to the Highways Department:

SETTLEMENT OF INVOICES PAYABLE AT THE MEETING

262.22 The Chairman and Clerk presented the invoices payable. These were examined and it was resolved to accept and pay them.

CG proposed the invoices should be accepted and paid. This was seconded by PE and they were duly paid following a unanimous vote by the Members.

FINANCIAL AND ADMINISTRATIVE MATTERS

263.22 No further Financial and Administrative matters.

CORRESPONDENCE

264.22 Members reported that there have been a spate of shed burglaries in Kimmeridge Parish. In view of the rise in rural crime advice will be sought from the Dorset Police.

265.22 An estimate for the provision of trees provided by Cllr Evans was discussed. It was agreed that Cllr Evans would liaise with the Village Hall Committee regarding the sharing of expense and that she can go ahead and purchase a tree for the Les Bugler memorial seat in the Playing Field. It was noted that tree lore says that it is often better to plant a smaller tree that will establish quickly and start to grow rather than a larger tree that will take much longer to recover from the shock of replanting

266.22 No further items.

ITEMS PROPOSED FOR THE NOVEMBER 2022 AGENDA

267.22 The following additional items were proposed for the November 2022 agenda:

PERIOD FOR DISCUSSION

268.22 Cllrs Grice and Pitcher suggested that the Parish Council put in place a Data Protection policy based on the GDPR as this is a necessary component of the data being collected for the Neighbourhood Plan. It was suggested that DAPTC should be able to provide this.

269.22 Cllr Pitcher proposed that the Parish Council support Planet Purbeck. It was decided that more information was required before a resolution could be tabled.
