PROPOSED TEMPORARY CLOSURE OF C114, CHURCH KNOWLE

I have received an application from Openreach to close C114, Church Knowle between Cotness Road and Barnston Crossroads (in both directions), a distance of approximately 1685 metres. The closure has been requested to provide Openreach with a safe working area to undertake poletests. These works are programmed to commence between 09:30 and 15:30 on 1st October 2025.

Openreach will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Tom Faulkner, (trafficteam@dorsetcouncil.gov.uk) by 17th September 2025.
